Why this workshop?

A new programme

- To highlight the pros and the cons of the Erasmus+ International Credit mobility adventure
- To exchange experiences
- To review attitudes towards critical issues of the Erasmus+ mobilities
- To suggest 'solutions' to difficulties
- To talk on 'whatever' on Erasmus+

Our discussion focused on

- Partnerships under Erasmus+ ICM
- Recognition of mobility and courses attended abroad/concerns on ECTS awarding
- Erasmus+ International Mobility: Special services needed
- Difficulties of the International Student and Staff Mobility under Erasmus+

...and on your thoughts on Erasmus+ ICM

How did we work ?

Discussion with Participants

- Exchange of thoughts on the 4 points (pros and cons, problems, good practices, possible solutions)

How do we work things out in AUTH?

- Presentation, discussion, questions & comments

All our other thoughts put together

Partnerships under Erasmus+ ICM

Concerns

- Non-EU partners not familiar with Erasmus procedures: administrative and bureaucracy issues which resulting is delays

How you do it/Good practices

- Detailed information and advising regarding the procedures

Recognition of mobility and courses attended abroad/concerns on ECTS awarding

Concerns

- Lack of courses taught in English in the host University

How you do it/Good practices

- Encourage students to conduct research work (master thesis, undergraduate thesis)

Erasmus+ International Mobility: Special services needed

Concerns

- Visa
- Bank account
- Residence permit from Immigration Office

How you do it/Good practices

- Cooperation with relevant authorities to solve problems: Consulates, bank, Immigration Office etc

Difficulties of the International Student and Staff Mobility under Erasmus+

Concerns

- Lack of participation from staff/students resulting in announcing many Calls
- Small budget for administrative support of the Programme

How you do it/Good practices

- Info days so as to promote more the Programme
- Request for extra funding/financial support for administrative support

Thank you!
