Further Information

Smoother Start Program (Orientation Week)

Two weeks before the semester begins the International Office offers a special introductory week for exchange students. Besides a German intensive course the program includes an intercultural training about „Living and Studying in Germany“. Students also receive support in dealing with organizational matters. After completing the program students are equipped with all the important information about living and studying in Vechta.

Mentoring Program - VIP

The international mentoring program VIP (Vechta's International Program) aims to support students who are not familiar with Vechta and/or studying in Germany by providing them with a personal mentor. The mentors are students at the University of Vechta themselves. International students can contact them with questions, challenges and problems; their mentors will help them overcome the first culture shock and show them the life and culture in Germany from their own perspective.

ERASMUS-Initiative InterMento

The local ERASMUS-Initiative InterMento organizes different activities such as excursions to the Climbing Forest, visits to museums, parties and game nights. International students can get to know Vechta and the German culture while meeting students who are interested in intercultural exchange. perspective.

Other activities

Brown Bag Lunch

During a Brown Bag Lunch international students present their home country and their home university. Furthermore, they prepare traditional food for the audience to taste.

University Cinema

Enjoy diversity on screen at movie nights on campus! The International Office in cooperation with other university institutions regularly organizes screenings of culturally interesting and current films.

University Sports

All students can participate in a variety of university sports courses, such as football, zumba, fitness and badminton, most of them free of charge. There is also a small gym that students can use.

„Entdecke! Discover! Niedersachsen und Bremen“

This initiative is organized by several universities in the region. The project offers students the chance to experience Lower Saxony and Bremen. There are guided tours, cultural and athletic events, excursions and visits to companies.
