<p>THE CITY</p>	<p>Castelló de la Plana (or simply Castelló or in Spanish, Castellón) is a city on the Mediterranean coast with beautiful sandy beaches all along its coastline and orange groves. It is a small but modern provincial capital with everything you might need. Its moderate size (180,000 inhabitants) makes it the perfect place to live, with the best of a big city (cultural events, shops, nightlife, facilities and local amenities) and a small town (Spanish traditions, relaxed lifestyle, integration with locals and nature). It is a very safe city, and much cheaper than larger cities such as Madrid, Valencia or Barcelona.</p> <p>The UJI is only a 20-minute walk from the city centre or a 10-minute ride by tram/bus.</p> <p>The tram links the UJI with the beach in a journey that takes just 25 minutes.</p> <p>Please watch this video of the city of Castelló:</p> <p>https://www.youtube.com/watch?v=dw--cZCxjOU</p>
<p>THE WEATHER</p>	<p>Thanks to the city's location on the Mediterranean coast, the weather in Castelló is very pleasant for most of the year. It is warm in summer and the temperatures in winter are mild. There is little rainfall and always plenty of sun!</p>
