UTC+2

65 hours of French (online learning)

25 hours of classes (live) with a teacher

25 hours of individual guided work

15 hours of preparation for the TCF (5 hours of classes with a teacher + 10 hours of independent work on the online training platform)

Open to students with a level of French from A1 to B2

Open to all international students, whether they are present at Le Mans Université, from partner universities, or individual candidates

Each day

- an **online class** with a large group of students, allowing for each mission to be launched, and for oral interaction with the class
- a **webinar** with the class to practise the language
- **live workshops** in small groups of 3 or 4 students
- **individual, independent work**
- **intercultural exchanges** with French-speaking students
- **discovering places of interest in our region** through virtual visits: Le Mans, the Loire Valley châteaux, the Le Mans 24 hour motor race...

Evaluation

50 % final project

50 % participation and completed work

5 missions to accomplish over the 2 weeks, to finish with a **collaborative final project!**
