UPM SUMMER SCHOOL

The UPM International Summer School is a seven-week multilingual study abroad program.

It addresses some of the hottest tech trends, combined with a taste of Spanish language and culture in one of Europe's most cosmopolitan cities.

UNIVERSIDAD
POLITÉCNICA
DE MADRID

VENUE

Universidad Politécnica de Madrid Schools and Research Institutes, Madrid, Spain.

The Spanish capital combines the modern infrastructures with its status of economic, financial, administrative and service center. Madrid offers a perfect blend of culture, business, food, leisure and entertainment.

Madrid is ideally located in the center of the country. Its outstanding transportation network means that it is easy to get to and from by road, airplane, train or metro.
