Course Overview

The Bayreuth International Summer School 2020 consists of seven different courses held over the same time period. All courses are conducted in English by international visiting professors and will take place over a period of two weeks in July.

Participants have the opportunity to theoretically and practically engage in various seminars and discussions for around six hours a day, learning and working in small groups of max. 15-20 international participants.

Course Fee

The course fee includes tuition fees, an excursion to Berlin or Munich and meals (daily lunch + a welcome & farewell dinner). Students from partner universities may qualify for reduced tuition fee or a tuition fee waiver.

We welcome you to submit your applications via our website starting on 15 January 2020 (deadline: 30 April 2020).

Certificate

A certificate and ECTS points are awarded for regular attendance of the course, active participation and a short presentation.
